

technology to deliver educational and health care services. The applicant must demonstrate that such items are necessary to meet the purposes under this subpart and financial assistance for such equipment and facilities is not available from other sources at a cost which would not adversely affect the economic viability of the project;

(e) Providing links between teachers and students or medical professionals who are located at the same facility, provided that such facility receives or provides distance learning or telemedicine services as part of a distance learning or telemedicine network which meets the purposes of this subpart;

(f) Providing for site development and alteration of buildings in order to meet the purposes of this subpart. Loans for this purpose must be necessary and incidental to the total amount of financial assistance requested;

(g) Purchasing of land, buildings, or building construction, where such costs are demonstrated necessary to construct distance learning and telemedicine facilities. The applicant must demonstrate that funding from other sources is not available at a cost which does not adversely impact the economic viability of the project as determined by the Administrator. Financial assistance for this purpose must be necessary and incidental to the total amount of financial assistance requested;

(h) Acquiring of telecommunications transmission facilities provided that no telecommunications carrier will install such facilities under the Act or through other financial procedures within a reasonable time period and at a cost to the applicant that does not impact the economic viability of the project, as determined by the Administrator;

(i) Any project costs, except for salaries and administrative expenses, not included in paragraphs (a) through (h) of this section, incurred during the first two years of operation after the financial assistance has been approved. The applicant must show that financing such costs are necessary for the establishment or continued operation of the project and that financing is not

available for such costs elsewhere, including from the applicant's financial resources. The Administrator will determine whether such costs will be financed based on information submitted by the applicant. Loans shall not be made exclusively to finance such costs, and financing for such costs will not exceed 20 percent of the loan provided to a project under this section; and

(j) All of the costs needed to provide distance learning broadcasting to rural areas. Loans may be used to cover the costs of facilities and end-user equipment dedicated to providing educational broadcasting to rural areas for distance learning purposes. If the facilities are not 100 percent dedicated to broadcasting, a portion of the financing may be used to fund such facilities based on a percentage of use factor that approximates the distance learning broadcasting portion of use.

§ 1703.142 Nonapproved purposes for loans.

(a) Loans made under this subpart will not be provided to pay the costs of recurring or operating expenses incurred after two years from approval of the project except for leases (see § 1703.141).

(b) Loans made under this subpart will not be provided for any of the following costs:

(1) To purchase equipment that will be owned by the local exchange carrier or another telecommunications service provider, unless the applicant is the local exchange carrier or other telecommunications service provider;

(2) To duplicate facilities providing distance learning or telemedicine services in place or to reimburse the applicant or others for costs incurred prior to RUS' receipt of the completed application;

(3) For projects located in areas covered by the Coastal Barrier Resources Act (16 U.S.C. 3501 *et seq.*); or

(4) To pay for salaries, wages, or administrative expenses; or

(5) For any purpose that the Administrator has not specifically approved.

(c) Except as otherwise provided in § 1703.112, funds shall not be used to finance a project, in part, when the success of the project is dependent upon the receipt of additional financial assistance under this subpart G or is dependent upon the receipt of other funding that is not assured.

§ 1703.143 Maximum and minimum amounts.

Applications for loans under this subpart will be subject to limitations on the proposed amount of loans. The Administrator will establish the maximum amount of a loan available to an applicant under this subpart, by publishing notice of the maximum amount in the FEDERAL REGISTER before the opening of the application window. The minimum amount of a loan is \$50,000.

§ 1703.144 Completed application.

The following items are required to be submitted in support of an application for a loan:

(a) *An application for federal assistance:* A completed standard form 424.

(b) *An executive summary of the project.* The applicant must provide RUS with a general project overview that addresses each of the following 9 categories:

(1) A description of why the project is needed;

(2) An explanation of how the applicant will address the need (see paragraph (b)(1) of this section), why the applicant requires financial assistance, the types of educational or medical services to be offered by the project, and the benefits to the rural residents;

(3) A description of the applicant, documenting eligibility in accordance with § 1703.103;

(4) An explanation of the total project cost including a breakdown of the loan required and the source of funding, if applicable, for the remainder of the project;

(5) A statement specifying whether the project provides predominantly distance learning or telemedicine services as defined in § 1703.102. If the project provides both distance learning and telemedicine services, the applicant

must identify the predominant use of the system;

(6) A general overview of the telecommunications system to be developed, including the types of equipment, technologies, and facilities used;

(7) A description of the participating hubs and end user sites and the number of rural residents which will be served by the project at each end user site;

(8) A certification by the applicant that facilities funded by a loan do not duplicate adequate established telemedicine or distance learning services.

(9) A listing of the location of each end user site (city, town, village, borough, or rural area plus the State).

(c) *A scope of work.* The scope of work must include, at a minimum:

(1) The specific activities to be performed under the project;

(2) Who will carry out the activities;

(3) The time-frames for accomplishing the project objectives and activities; and

(4) A budget for capital expenditures reflecting the line item costs for the loan and any other sources of funds for the project.

(d) *Financial information.* The applicant must show its financial ability to complete the project; show project feasibility; and provide evidence that it can execute a note for a loan for a maturity period greater than one year. For educational institutions participating in a project application (including all members of a consortium), the financial data must reflect revenue and expense reports and balance sheet reports, reflecting net worth, for the most recent annual reporting period preceding the date of the application. For medical institutions participating in a project application (including all members of a consortium), the financial data must include income statement and balance sheet reports, reflecting net worth, for the most recent completed fiscal year preceding the date of the application. When the applicant is a partnership, company, corporation, or other entity, current balance sheets, reflecting net worth, are needed from each of the entities that has at least a 20 percent interest in such partnership, company, corporation or other entity. When the applicant is a consortium, a current balance
